About Lonza

Lonza is the preferred global partner to the pharmaceutical, biotech and nutrition markets. We work to enable a healthier world by supporting our customers to deliver new and innovative medicines that help treat a wide range of diseases. We achieve this by combining technological insight with world-class manufacturing, scientific expertise and process excellence. Our unparalleled breadth of offerings enables our customers to commercialize their discoveries and innovations in the healthcare sector.

Founded in 1897 in the Swiss Alps, today, Lonza operates across five continents. With approximately 16,000 employees, we comprise high-performing teams and individual talent that make a meaningful difference to our own business, as well as to the communities in which we operate.

About Our People

We are dedicated to science. We apply our industry knowledge to pioneer the medicines of tomorrow. Our work enables our customers to protect millions of people from illness and disease.

While we work in science, there's no magic formula for how we do it. Our greatest scientific solution is talented people working together, devising ideas that help our customers.

People come to Lonza for the challenge and creativity of solving complex problems and developing new ideas in life sciences. They come to stretch themselves, voice their views, and be themselves. They come because they get to work with inspiring, passionate leaders.

In exchange, we let our people drive their own careers. Because of their commitment and ideas, big and small, we genuinely improve the world, and that's the kind of work we want to be part of.

Activities Around Nansha

Nansha

Nansha is the hub connecting the city groups on the banks of the Pearl River Estuary. It enjoys unique natural conditions with densely covered water networks and various lakes and ponds which are part of its beautiful natural environment and rich land resources.

Nansha Tin Hau Palace is the biggest Mazu Temple in Southeastern Asia that covers about 100 hectares (2471 acres). At the center of the Tin Hau square stands a huge statue of the Goddess who faces the sea and symbolizes that Mazu could bless fishermen and bring favorable weather for the whole year.

Nansha Binhai Park is the largest seaside park in Guangzhou with a sea view theme.

Nansha Wetland Park was chosen as one of the 10 best destinations to watch birds in Guangdong province. More than 100,000 birds arrive in the park since December, making it a scenic spot to watch wild birds in winter.

Huangshanlu Forest Park is located in the center of Nansha. Its main peak is 295 meters above sea level and is the most optimal place to get a bird's-eye view of Nansha.

Nansha Marina was the first and only marina in mainland China to achieve the prestigious 5 Gold Anchors rating by the Yacht Harbour Association UK (TYHA) in July 2011. It tailors a wide range of exciting cruises for your leisure needs, such as sailing, private romantic dinner, fishing trip in the company of friends.
