2.1 Issue of Notes: The Issuer may from time to time issue Notes in Tranches of one or more Series on a continuous basis with no minimum issue size in accordance with the Dealer Agreement. Before issuing any Tranche, the Issuer shall give written notice or procure that it is given to the Trustee of the proposed issue of such Tranche, specifying the details to be included in the applicable Final Terms. Upon the issue by the Issuer of any Notes expressed to be constituted by this Trust Deed, such Notes shall forthwith be constituted by this Trust Deed without any further formality and irrespective of whether or not the issue of such debt securities contravenes any covenant or other restriction in this Trust Deed or the Programme Limit.

2.2 Separate Series: The provisions of Clauses 2.3, 2.4, 2.5 and 2.6 and of Clauses 3 to 16 and the Schedule to the Agency Agreement (all inclusive) shall apply *mutatis mutandis* separately and independently to the Notes of each Series and in such Clauses and Schedule the expression “Noteholders”, together with all other terms that relate to Notes or their Conditions, shall be construed as referring to those of the particular Series in question and not of all Series unless expressly so provided, so that each Series shall be constituted by a separate trust pursuant to Clause 2.3 and that, unless expressly provided, events affecting one Series shall not affect any other.

2.3 Covenant to Pay: The Issuer will, on any date when any Notes become due to be redeemed (in whole or as provided in the Conditions, in part), in accordance with the Conditions, unconditionally pay (or procure to be paid) to or to the order of the Trustee in the Contractual Currency in same day funds the Redemption Amount of the Notes becoming due for redemption on that date together with any applicable premium and will (subject to the Conditions) until such payment (both before and after judgment) unconditionally so pay or procure to be paid to or to the order of the Trustee interest on the nominal amount of the Notes outstanding as set out in the Conditions (subject to Clause 2.6) provided that (1) subject to the provisions of Clause 2.5 payment of any sum due in respect of the Notes made to, or to the account of, the Issuing and Paying Agent as provided in the Agency Agreement shall, to that extent, satisfy such obligation except to the extent that there is failure in its subsequent payment to the NBB-SSS and every payment of any sum due in respect of the Notes made to or to the order of the Trustee in accordance with this Clause 2 shall operate in satisfaction to that extent of the relevant covenant by the Issuer contained in the Notes except to the extent that there is a failure in the subsequent payment to the NBB-SSS; and (2) a payment made after the due date or pursuant to Condition 8 will be deemed to have been made when the full amount due has been received by the Trustee or the Issuing and Paying Agent and notice to that effect has been given to the Noteholders (if required under Clause 8.6), except to the extent that there is a failure in the subsequent payment to the NBB-SSS. This covenant shall only have effect each time Notes are issued and outstanding, when the Trustee will hold the benefit of this covenant on trust for the Noteholders of the relevant Series.

2.4 Discharge:

2.4.1 Subject to Clause 2.5, any payment to be made in respect of the Notes by the Issuer, the Guarantor or the Trustee may be made as provided in the Conditions and any payment so made will (subject to Clause 2.5) to that extent be a good discharge to the Issuer, the Guarantor or the Trustee, as the case may be.

2.4.2 Subject as set out in the Agency Agreement, all payments in respect of the Notes shall be made through the Issuing and Paying Agent. The payment obligations of the Issuer or, as the case may be, the Guarantor under the Notes will be discharged by payment by the Issuing and Paying Agent to the NBB-SSS in respect of each amount so paid.

2.5 Payment after a Default: At any time after an Event of Default or a Potential Event of Default has occurred in relation to a particular Series the Trustee may:

2.5.1 by notice in writing to the Issuer, the Guarantor and the Paying Agents, require the Paying Agents (or any of them), until notified by the Trustee to the contrary, so far as permitted by any applicable law:

- (i) to act as Paying Agents of the Trustee under this Trust Deed and the Notes of such Series on the terms of the Agency Agreement (with consequential amendments as necessary and except that the Trustee's liability for the indemnification and remuneration of, and expenses properly incurred by, the Paying Agents will be limited to the amounts for the time being held by the Trustee in respect of such Series on the terms of this Trust Deed and available for such purposes) and thereafter to hold all Notes of such Series and all moneys, documents and records held by them (if any) in respect of Notes of such Series to the order of the Trustee; or

- (ii) to deliver all moneys, documents and records held by them (if any) in respect of the Notes of such Series to the Trustee or as the Trustee directs in such notice provided that such notice shall be deemed not to apply to any documents or records which a Paying Agent is obliged not to release by any law or regulation; and

2.5.2 by notice in writing to the Issuer and/or the Guarantor require each of them to make all subsequent payments in respect of the Notes of such Series to, or to the order of, the Trustee and not to the Issuing and Paying Agent with effect from the issue of any such notice to the Issuer and/or, where applicable, the Guarantor; and from then until such notice is withdrawn, proviso (1) to Clause 2.3 above shall cease to have effect.

2.6 Rate of Interest After a Default: If the Notes bear interest at a floating or other variable rate and they become immediately payable under the Conditions, the rate of interest payable in respect of them shall continue to be calculated by the Calculation Agent in accordance with the Conditions (with consequential amendments as necessary) except that the rates of interest need not be published. The first period in respect of which interest shall be so calculable shall commence on the expiry of the Interest Period during which the Notes become so repayable.

3 Guarantee and Indemnity

3.1 Guarantee: The Guarantor unconditionally and irrevocably guarantees that if the Issuer does not pay (or procure to be paid) any sum payable by the Issuer under this Trust Deed or the Notes by the time and on the date specified for such payment or delivery (whether on the normal due date, on acceleration or otherwise), the Guarantor will pay that sum to, or to the order of, the Trustee, in the manner provided in Clause 2.3 (or, if in respect of sums due under Clause 9, in pounds sterling in London in immediately available funds) before close of business on that date in the city to which payment is so to be made. Clause 2.3(1) and Clause 2.3(2) will apply (with consequential amendments as necessary) to such payments other than those in respect of sums due under Clause 9. All payments under the Guarantee by the Guarantor will be made subject to Condition 7 and Clause 5.2.

3.2 Guarantor as Principal Debtor: As between the Guarantor and the Trustee and the Noteholders but without affecting the Issuer's obligations, the Guarantor will be liable under this Clause as if it were the sole principal debtor and not merely a surety. Accordingly, it will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if it were the sole principal debtor (including (1) any time, indulgence, waiver or consent at any time given to the Issuer or any other person, (2) any amendment to any other provisions of this Trust Deed or to the Conditions or to any security or other guarantee or indemnity, (3) the making or absence of any demand on the Issuer or any other person for payment, (4) the enforcement or absence of enforcement of this Trust Deed or the Notes or of any security or other guarantee or indemnity, (5) the taking, existence or release of any security, guarantee or indemnity, (6) the dissolution, amalgamation, reconstruction or reorganisation of the Issuer or any other person or (7) the illegality, invalidity or unenforceability of or any defect in any provision of this Trust Deed or the Notes or any of the Issuer's obligations under any of them).

3.3 Guarantor's Obligations Continuing: The Guarantor's obligations under this Trust Deed are and will remain in full force and effect by way of continuing security until no sum remains payable under this Trust Deed or the Notes. Furthermore, those obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time

existing in favour of any person, whether from the Guarantor or otherwise and may be enforced without first having recourse to the Issuer, any other person, any security or any other guarantee or indemnity. The Guarantor irrevocably waives all notices and demands of any kind.

3.4 Exercise of Guarantor's Rights: So long as any sum remains payable under this Trust Deed or the Notes:

3.4.1 any right of the Guarantor, by reason of the performance of any of its obligations under this Clause, to be indemnified by the Issuer or to take the benefit of or to enforce any security or other guarantee or indemnity will be exercised and enforced by the Guarantor only in such manner and on such terms as the Trustee may require or approve; and

3.4.2 any amount received or recovered by the Guarantor (a) as a result of any exercise of any such right or (b) in the dissolution, amalgamation, reconstruction or reorganisation of the Issuer will be held in trust for the Trustee and immediately paid to the Trustee and the Trustee will hold it on the trusts set out in Clause 6.1.

3.5 Suspense Accounts: Any amount received or recovered by the Trustee (otherwise than as a result of a payment by or procured by the Issuer to the Trustee in accordance with Clause 2) in respect of any sum payable by the Issuer under this Trust Deed or the Notes may be placed in a suspense account and kept there for so long as the Trustee thinks fit.

3.6 Avoidance of Payments: The Guarantor shall on demand indemnify the Trustee and each Noteholder, on an after tax basis, against any cost, loss, expense or liability sustained or incurred by it as a result of it being required for any reason (including any bankruptcy, insolvency, winding-up, dissolution, or similar law of any jurisdiction) to refund all or part of any amount received or recovered by it in respect of any sum payable by the Issuer under this Trust Deed or any Note and shall in any event pay to it on demand the amount as refunded by it.

3.7 Debts of Issuer: If any moneys become payable by the Guarantor under this Guarantee, the Issuer will not (except in the event of the liquidation or bankruptcy of the Issuer) so long as any such moneys remain unpaid, pay any moneys for the time being due from the Issuer to the Guarantor.

3.8 Indemnity: As separate, independent and alternative stipulations, the Guarantor unconditionally and irrevocably agrees (1) that any sum which, although expressed to be payable by the Issuer under this Trust Deed or the Notes, is for any reason (whether or not now existing and whether or not now known or becoming known to the Issuer, the Guarantor, the Trustee or any Noteholder) not recoverable from the Guarantor on the basis of a guarantee will nevertheless be recoverable from it as if it were the sole principal debtor and will be paid by it to the Trustee on demand, and (2) as a primary obligation to indemnify the Trustee and each Noteholder against any loss suffered by it as a result of any sum expressed to be payable by the Issuer under this Trust Deed or the Notes not being paid on the date and otherwise in the manner specified in this Trust Deed or any payment obligation of the Issuer under this Trust Deed or the Notes being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not now known or becoming known to the Issuer, the Guarantor, the Trustee or any Noteholder), the amount of that loss being the amount expressed to be payable by the Issuer in respect of the relevant sum.

4 Form of the Notes

The Notes will be in dematerialised form and will be issued in accordance with the Belgian companies and associations code (*Code des sociétés et des associations / Wetboek van vennootschappen en verenigingen*) dated 23 March 2019, as amended from time to time (the “Code”) and cannot be physically delivered. The Notes will be represented exclusively by a book entry in the records of the NBB-SSS and will pass by account transfer. The Notes can be held by their holders through participants in the NBB-SSS, including Euroclear Bank SA/NV, Clearstream Banking, A.G., SIX SIS AG, Monte Titoli S.p.A., Interbolsa – Sociedade Gestora de Sistemas de Liquidação e de Sistemas Centralizados de Valores Mobiliários S.A., Euroclear France SA and LuxCSD S.A. or the other direct or indirect participants in the NBB-SSS.

5 Stamp Duties and Taxes

5.1 Stamp Duties: The Issuer (failing whom the Guarantor) will pay any stamp, issue, documentary or other similar taxes and duties (excluding, for the avoidance of doubt, capital gains tax or similar taxes on gains or profits levied on the relevant Noteholders), including interest and penalties, payable in the Kingdom of Belgium, Luxembourg, Switzerland or the United Kingdom and the country of each Contractual Currency in respect of the creation, issue and offering of the Notes and the execution or delivery of this Trust Deed. The Issuer (failing whom the Guarantor) will also indemnify the Trustee and the Noteholders on an after tax basis, from and against all stamp, issue, documentary or other similar taxes (excluding, for the avoidance of doubt, capital gains tax or similar taxes on gains or profits) properly paid by any of them in any jurisdiction in relation to which the liability to pay such tax arises directly as a result of any action taken by or on behalf of the Trustee or, as the case may be and where entitled under Condition 11 to do so, the Noteholders to enforce the obligations of the Issuer or the Guarantor under this Trust Deed or the Notes.

5.2 Change of Taxing Jurisdiction: If the Issuer or the Guarantor becomes subject generally to the taxing jurisdiction of any territory or any authority of or in that territory having power to tax other than or in addition to the Kingdom of Belgium (in the case of the Issuer) or Switzerland (in the case of the Guarantor) or any such authority of or in such territory then the Issuer or, as the case may be, the Guarantor will (unless the Trustee otherwise agrees) give the Trustee an undertaking satisfactory to the Trustee in terms corresponding to the terms of Condition 7 with the substitution for, or (as the case may require) the addition to, the references in that Condition to the Kingdom of Belgium or Switzerland of references to that other territory or authority or additional territory or authority to whose taxing jurisdiction the Issuer or, as the case may be, the Guarantor has become so subject (provided that such undertaking shall be subject to such exceptions as reflect exceptions under the law of the relevant taxing jurisdiction and as are similar in scope and effect to those exceptions set out in Condition 7) and in such event this Trust Deed and the Notes will be read accordingly.

6 Application of Moneys Received by the Trustee

6.1 Declaration of Trust: All moneys received by the Trustee in respect of the Notes or amounts payable under this Trust Deed will, regardless of any appropriation of all or part of them by the Issuer or the Guarantor, be held by the Trustee upon trust to apply them (subject to Clauses 3.5 and 6.2):

6.1.1 first, in payment of all fees, costs, charges, documented expenses and liabilities properly incurred by the Trustee (including remuneration and any indemnity amounts

payable to it) and/or any Appointee in carrying out its or their functions under this Trust Deed;

6.1.2 secondly, in payment of any amounts owing and remaining unpaid in respect of the Notes *pari passu* and rateably; and

6.1.3 thirdly, in payment of the balance (if any) to the Issuer for itself or, if moneys were received from the Guarantor and to the extent of such moneys, the Guarantor.

If the Trustee holds any moneys in respect of Notes that have become void or in respect of which claims have become prescribed under the Conditions, the Trustee will hold them upon these trusts.

6.2 Accumulation: If the amount of the moneys at any time available for payment in respect of the Notes under Clause 6.1 is less than 10 per cent. of the nominal amount of the Notes then outstanding, the Trustee may, at its discretion, invest such moneys. The Trustee may retain such investments and accumulate the resulting income until the investments and the accumulations, together with any other funds for the time being under its control and available for such payment, amount to at least 10 per cent. of the nominal amount of the Notes then outstanding whereupon such investments, accumulations and funds (after deduction of, or provision for, any applicable taxes) will be applied as specified in Clause 6.1.

6.3 Investment: Moneys held by the Trustee may be invested in its name or under its control in any investments or other assets anywhere, for the time being authorised by English law for the investment by trustees of trust monies, whether or not they produce income or deposited in its name or under its control at such bank or other financial institution and in such currency as the Trustee may, in its absolute discretion, think fit. If that bank or institution is the Trustee or a subsidiary, holding company or associated company of the Trustee, it need only account for an amount of interest equal to the standard amount of interest payable by it on such a deposit to an independent customer. The Trustee may at any time vary or transpose any such investments or assets for or into other such investments or assets or convert any moneys so deposited into any other currency, and will not be responsible to any person whatsoever for any loss occasioned thereby, whether by depreciation in value, fluctuation in exchange rates or otherwise.

7 Covenant to Comply

Each of the Issuer and the Guarantor hereby covenants with the Trustee that it will comply with and perform and observe all the provisions of this Trust Deed which are expressed to be binding on it. The Conditions shall be binding on each of the Issuer, the Guarantor and the Noteholders. The Trustee shall be entitled to enforce the obligations of the Issuer and the Guarantor under the Notes and the Conditions as if the same were set out and contained in this Trust Deed which shall be read and construed as one document with the Notes. The Trustee shall hold the benefit of this covenant upon trust for itself and the Noteholders according to its and their respective interests.

- 9.2 Extra Remuneration:** At any time after the occurrence of an Event of Default or Potential Event of Default, the Issuer and the Guarantor hereby agree that the Trustee shall be entitled to be paid additional remuneration calculated at its normal hourly rates in force from time to time. 9.4 Expenses: The Issuer, failing whom the Guarantor, will also on written demand by the Trustee pay or discharge all Liabilities properly incurred and documented by the Trustee and, if applicable, any Appointee in relation to the preparation and execution of this Trust Deed and the carrying out and/or performance of its functions under this Trust Deed including, but not limited to, properly incurred and documented legal and travelling expenses and any stamp, issue, documentary or other similar taxes or duties paid or payable by the Trustee in connection with any action taken or contemplated by or on behalf of the Trustee or any Appointee for enforcing any obligation under this Trust Deed, the Agency Agreement or the Notes.

9.5 Payment of Expenses: All such properly incurred and documented Liabilities incurred by the Trustee will be payable or reimbursable by the Issuer, failing whom the Guarantor, on demand by the Trustee and:

9.5.2 in all other cases, will carry interest at such rate from 30 days after the date on which the demand is made or (where the demand properly specifies that payment is to be made on an earlier date) from such earlier date.

Remuneration payable to the Trustee shall carry interest at the above rate from the date therefor.

9.6 Indemnity: Without prejudice to the right of indemnity by law given to trustees, the Issuer, failing whom the Guarantor, will on demand indemnify the Trustee and every Appointee and keep them indemnified against all Liabilities properly incurred by them in relation to the preparation, execution or purported execution or enforcement of any of their trusts, powers, authorities and discretions and the performance of their duties under, and in any other manner in relation to this Trust Deed, the Agency Agreement or the Notes (including but not limited to all Liabilities incurred in disputing or defending any of the foregoing). The Contracts (Rights of Third Parties) Act 1999 applies to this Clause 9.6.

9.7 Payments to be made without deduction: All payments to the Trustee under this Clause 9 shall be made without set-off, counterclaim, deduction or withholding unless required by law, in which case the Issuer, failing whom the Guarantor, shall gross up such payments to the Trustee.

9.8 Provisions Continuing: The provisions of Clauses 9.4, 9.5, 9.6 and 9.7 will continue in full force and effect in relation to the Trustee in or related to its role as Trustee even if, at the time any such payment, discharge, reimbursement or indemnification is claimed, it may have ceased to be Trustee or there has been any termination or discharge of this Trust Deed.

11 Trustee Liable for Negligence

11.1 Trustee Liability: Section 1 of the Trustee Act 2000 shall not apply to the duties of the Trustee in relation to the trusts constituted by this Trust Deed, provided that if the Trustee fails to show the degree of care and diligence required of it as Trustee having regard to the provisions of this Trust Deed conferring on it any trust powers, authorities or discretions, nothing in this Trust Deed shall relieve or indemnify it from or against any liability which would otherwise attach to it in respect of any fraud, gross negligence or wilful misconduct of which it may be guilty. Where there are any inconsistencies between the Trustee Acts and the provisions of this Trust Deed, the provisions of this Trust Deed shall prevail to the extent allowed by law. In the case of an inconsistency with the Trustee Act 2000, the provisions of this Trust Deed shall take effect as a restriction or exclusion for the purposes of that act.

11.2 Consequential loss: Any liability of the Trustee arising under this Trust Deed shall be limited to the amount of actual loss suffered (such loss shall be determined as at the date of default of the Trustee or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Trustee at the time of entering into this Trust Deed, or at the time of accepting any relevant instructions, which increase the amount of the loss. In no event shall the Trustee be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Trustee was advised or was aware of the possibility of such loss or damages and regardless of whether the claim for such loss or damages is made in negligence, breach of duty, breach of contract or otherwise, unless the claim for loss or damage is made in respect of fraud on the part of the Trustee.

12 Enforcement, Waiver and Proof of Default

12.1 Waiver: The Trustee may, without the consent of the Noteholders and without prejudice to its rights in respect of any subsequent breach, from time to time and at any time, if in its opinion the interests of the Noteholders will not be materially prejudiced thereby, waive or authorise, on such terms and conditions as seem expedient to it, any breach or proposed breach by the Issuer or the Guarantor of the Conditions or any provision of this Trust Deed, any trust deed supplemental to this Trust Deed, the Agency Agreement and any agreement supplemental to the Agency Agreement or the Notes or determine without any such consent as aforesaid that any Event of Default or Potential Event of Default will not be treated as such provided that the Trustee will not do so in contravention of any express direction given by an Extraordinary Resolution or a request made pursuant to Condition 8 but no such direction or request will affect any previous waiver, authorisation or determination. Any such waiver, authorisation or determination will be binding on the Noteholders and will be notified as soon as reasonably practicable by the Issuer to the Noteholders.

12.2 Proof of Default: If it is proved that as regards any specified Note the Issuer or the Guarantor has made default in paying any sum due to the relevant Noteholder, such proof will (unless the contrary be proved) be sufficient evidence that the same default has been made as regards all other Notes which are then payable.

12.3 Enforcement: The Trustee may, at any time at its discretion and without further notice, take such steps, actions or proceedings against the Issuer or the Guarantor as it may think fit to recover any amounts due in respect of the Notes, to enforce the provisions of this Trust Deed or the Conditions, but it will not be bound to take any such steps, actions or proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by the holders of at least one quarter in nominal amount of the Notes then outstanding and (b) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction and provided that the Trustee shall not be held liable for the consequence of taking or refraining from taking any such action, step or proceedings and may take such action, step or proceedings without having regard to the effect of such action on individual Noteholders. Only the Trustee may enforce the provisions of the Notes or this Trust Deed and no Noteholder shall be entitled to proceed directly against the Issuer or the Guarantor unless the Trustee, having become bound so to proceed, fails to or is unable to do so within a reasonable time from the date on which the Trustee is so bound and such failure or inability is continuing.

13 Trustee not Precluded from Entering into Contracts

The Trustee, associated companies and any other person, whether or not acting for itself, may acquire, hold or dispose of, any Note or other securities (or any interest therein) of the Issuer or the Guarantor or any other person with the same rights as it would have had if the Trustee were not Trustee and may enter into or be interested in any contracts or transactions with the Issuer, the Guarantor or any such person and may act as depositary, trustee or agent or in any other capacity for or on any committee or body of holders of, any securities issued or guaranteed by, or related to the Issuer or the Guarantor or any such person and will not be liable to account for any profit.

14 Modification and Substitution

14.1 Modification: The Trustee may agree without the consent of the Noteholders to (i) any modification of the provisions of this Trust Deed or the Conditions, which in its opinion is of a formal, minor or technical nature or which is made to correct a manifest error and (ii) any other modification to the Conditions or the provisions of this Trust Deed which is in its opinion not materially prejudicial to the interests of the Noteholders (but such power does not extend to any such modification as is mentioned in the proviso to paragraph 3 of the Schedule to the Agency Agreement). Any such modification shall be binding on the Noteholders and such modification shall be notified by the Issuer as soon as reasonably practicable thereafter to the Noteholders in accordance with Condition 14.

14.2 Additionally, the Issuer may, subject to Condition 4(j) and Condition 4(k), vary or amend this Trust Deed, the Conditions and/or the Agency Agreement to give effect to certain amendments without any requirement for the consent or approval of Noteholders, as described in Condition 4(j) and Condition 4(k) and the Trustee shall agree to such variations or amendments on the basis set out in Condition 4(j) and Condition 4(k) (as applicable).

14.3 Substitution:

14.3.1 The Trustee shall, if so requested in writing by the Issuer and the Guarantor and without the consent of the Noteholders, agree to the substitution of another company (the “**Substituted Obligor**”) in place of the Issuer or the Guarantor (or of any previous substituted company) as the principal debtor or guarantor under this Trust Deed and the Notes, in each case provided that:

- (i) a deed is executed or undertaking given by the Substituted Obligor to the Trustee, in form and manner satisfactory to the Trustee, agreeing to be bound by this Trust Deed and the Notes (with consequential amendments as the Trustee may deem appropriate) as if the Substituted Obligor had been named in this Trust Deed and the Notes as the principal debtor in place of the Issuer or as a guarantor in place of the Guarantor as the case may be (or of any previous Substituted Obligor);
- (ii) if the Substituted Obligor is subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the “**Substituted Territory**”) other than the territory of the taxing jurisdiction of which (or to any such authority of or in which) the Issuer is subject generally (the “**Issuer’s Territory**”), or to which the Guarantor is subject generally (the “**Guarantor’s Territory**”), the Substituted Obligor will (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 7 with the substitution for, or (as the case may require) the addition to, the references in that Condition to the Issuer’s Territory or the Guarantor’s Territory as the case may be of references to the Substituted Territory (provided that such undertaking shall be subject to such exceptions as reflect exceptions under the law of the relevant Substituted Territory and as are similar in scope and effect to those exceptions set out in Condition 7) whereupon the Trust Deed and the Notes will be read accordingly;
- (iii) two directors of the Substituted Obligor certify in writing to the Trustee that it will be solvent immediately after such substitution. The Trustee need not have regard to the Substituted Obligor’s financial condition, profits or prospects or compare them with those of the Issuer or the Guarantor (or any previous Substituted Obligor);
- (iv) the Issuer, the Guarantor and the Substituted Obligor comply with such other requirements as are in the interests of the Noteholders, as the Trustee may direct; and
- (v) (where the Issuer is substituted by a Substituted Obligor) the obligations of the Substituted Obligor as principal debtor under this Trust Deed and the Notes are guaranteed by the Guarantor in the same terms (with consequential amendments as necessary) as the Guarantee to the Trustee’s satisfaction.

14.3.2 Any substitution made pursuant to this Clause shall be binding on the Noteholders and must be notified promptly to the Noteholders in accordance with Condition 14.

14.3.3 Without prejudice to the generality of Clause 14.3.1(i), the Trustee may in the event of such substitution agree, without the consent of the Noteholders, to a change in

the law governing this Trust Deed and/or the Notes, provided that such change would not on the opinion of the Trustee be materially prejudicial to the interests of Noteholders.

14.4 Release of Substituted Issuer or Substituted Guarantor: Any such agreement by the Trustee pursuant to Clause 14.3 will, if so expressed, operate to release the Issuer or the Guarantor (or any such previous substitute of either of them) from any or all of its obligations under this Trust Deed and the Notes. Not later than 14 days after the execution of any such documents and after compliance with such requirements, notice of the substitution will be given to the Noteholders by the Substituted Obligor.

14.5 Completion of Substitution: Upon the execution of the documents and compliance with the requirements of Clause 14.3, the Substituted Obligor will be deemed to be named in this Trust Deed and on the Notes as the principal debtor in place of the Issuer (or of any previous substitute under Clause 14.3) or as a guarantor in place of the relevant Guarantor (or any previous substitute under Clause 14.3) as the case may be and this Trust Deed and the Notes will be deemed to be modified in such manner as shall be necessary to give effect to the substitution.

15 Appointment, Retirement and Removal of the Trustee

15.1 Appointment: Subject as provided in Clause 15.2 below, the Issuer has the power of appointing a new trustee or trustees but no person will be so appointed unless previously approved by an Extraordinary Resolution. A trust corporation will at all times be a Trustee and may be the sole Trustee. Any appointment of a new Trustee will be notified by the Issuer, failing whom the Guarantor, to the Noteholders and the Issuing and Paying Agent as soon as practicable thereafter in accordance with Condition 14.

15.2 Retirement and Removal: Any Trustee may retire at any time on giving not less than three months' notice in writing to the Issuer and the Guarantor without giving any reason and without being responsible for any costs occasioned by such retirement and the Noteholders may by Extraordinary Resolution remove any Trustee provided that the retirement or removal of any sole trustee or sole trust corporation will not become effective until a trust corporation is appointed as successor Trustee. If a sole trustee or sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal under this Clause 15.2, the Issuer and/or the Guarantor will use all reasonable endeavours to procure that another trust corporation be appointed as Trustee but if it fails to do so before the expiry of such three month notice period, the Trustee shall have the power to appoint a new Trustee with all the costs of such appointment being borne by the Issuer failing whom the Guarantor.

15.3 Co-Trustees: The Trustee may, notwithstanding Clause 15.1, by prior notice in writing to the Issuer and the Guarantor appoint anyone to act as an additional Trustee jointly with the Trustee:

15.3.1 if the Trustee considers such appointment to be in the interests of the Noteholders;

15.3.2 for the purpose of conforming with any legal requirement, restriction or condition in any jurisdiction in which any particular act is to be performed; or

15.3.3 for the purpose of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction against the Issuer or the Guarantor of either a judgment already obtained or any of the provisions of this Trust Deed.

Subject to the provisions of this Trust Deed, the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may, by notice in writing to the Issuer and the Guarantor and such person, remove any person so appointed. At the request of the Trustee, the Issuer and the Guarantor will do all things as may be required to perfect such appointment or removal and each of them irrevocably appoints the Trustee to be its attorney in its name and on its behalf to do so.

15.4 Competence of a Majority of Trustees: If there are more than two Trustees the majority of such Trustees will (provided such majority includes a trust corporation) be competent to carry out all or any of the Trustee's functions.

15.5 Merger: Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Clause 15, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

16 Currency Indemnity

16.1 Currency of Account and Payment: The Contractual Currency is the sole currency of account and payment for all sums payable by the Issuer and the Guarantor under or in connection with this Trust Deed and the Notes, including damages.

16.2 Extent of Discharge: An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, bankruptcy, winding-up or dissolution of the Issuer, the Guarantor or otherwise) by the Trustee or any Noteholder in respect of any sum expressed to be due to it from the Issuer or Guarantor will only discharge the Issuer or, as the case may be, the Guarantor to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

16.3 Indemnity: If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under this Trust Deed or the Notes, the Issuer, failing whom the Guarantor, will indemnify the recipient against any loss sustained by it as a result. In any event, the Issuer, failing whom the Guarantor, will indemnify the recipient against the cost of making any such purchase.

16.4 Indemnity Separate: The indemnities in this Clause 16 and in Clauses 3.8 and 9.6 constitute separate and independent obligations from the other obligations in this Trust Deed, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee and/or any Noteholder and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed and/or the Notes or any other judgment or order.

18 Governing Law and Jurisdiction

18.1 Governing Law: This Trust Deed (except Clause 4) and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with

English law. Clause 4 of this Trust Deed and any non-contractual obligations arising out of it or in connection with it shall be governed by and construed in accordance with Belgian law.

18.2 Jurisdiction: The courts of England in London are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Trust Deed or the Notes (and any non-contractual obligations arising out of or in connection with them) and accordingly any legal action or proceedings arising out of or in connection with this Trust Deed or the Notes ("**Proceedings**") may be brought in such courts. The Issuer and the Guarantor each irrevocably submits to the jurisdiction of such courts and waives any objections to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This Clause is for the benefit of each of the Trustee and the Noteholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

18.3 Service of Process: Each of the Issuer and the Guarantor irrevocably appoints Lonza Group UK Ltd of 228 Bath Road, Slough, Berkshire SL1 4DX as its authorised agent for service of process in England in relation to Proceedings. If for any reason such agent shall cease to be such agent for the service of process, each of the Issuer and the Guarantor shall promptly appoint a new agent for service of process in England and deliver to the Trustee a copy of the new agent's appointment within 14 days. Nothing in this Trust Deed shall affect the right to serve process in any other manner permitted by law.

19 Counterparts

This Trust Deed and any trust deed supplemental hereto may be executed by one or more of the parties hereto or thereto in any number of counterparts, and by each party on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this Trust Deed or any trust deed supplemental hereto by email attachment or telecopy shall be an effective mode of delivery.

20 Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this Trust Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Trust Deed except and to the extent that this Trust Deed expressly provides for such Act to apply to any of its terms. Subject to the provisions of this Trust Deed, the parties to this Trust Deed shall have the right to amend, vary or rescind any provision of this Trust Deed without the consent of any such third party.

Schedule 1

Terms and Conditions of the Notes

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of Part A of the applicable Final Terms, shall be applicable to the Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the applicable Final Terms. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are constituted by a Trust Deed (as amended or supplemented as at the date of issue of the Notes (the “**Issue Date**”), the “**Trust Deed**”) dated 28 April 2023 between Lonza Finance International NV (the “**Issuer**”), Lonza Group AG (the “**Guarantor**”) and The Law Debenture Trust Corporation p.l.c. (the “**Trustee**”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These terms and conditions (the “**Conditions**”) include summaries of, and are subject to, the detailed provisions of the Trust Deed. An Agency Agreement (as amended or supplemented as at the Issue Date, the “**Agency Agreement**”) dated 28 April 2023 has been entered into in relation to the Notes between the Issuer, the Guarantor, the Trustee and Citibank Europe Plc as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the other paying agents, and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Issuing and Paying Agent**”, the “**Paying Agents**” (which expression shall include the Issuing and Paying Agent) and the “**Calculation Agent(s)**”. Electronic copies of the Trust Deed and the Agency Agreement are available upon request to the Trustee and the Paying Agents, subject to a Noteholder providing evidence of its identity and its holding of Notes.

The Noteholders are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of all the provisions of the Agency Agreement.

As used in these Conditions, “**Tranche**” means Notes which are identical in all respects, including as to Issue Date.

1 Form, Denomination and Title

The Notes are in dematerialised form in accordance with the Belgian companies and associations code (*Code des sociétés et des associations / Wetboek van vennootschappen en verenigingen*) dated 23 March 2019, as amended from time to time (the “**Code**”). The Notes will be represented exclusively by a book entry in the records of the securities settlement system operated by the National Bank of Belgium (the “**NBB**”) or any successor thereto (the “**NBB-SSS**”). The Notes can be held by their holders through participants in the NBB-SSS, including Euroclear Bank SA/NV (“**Euroclear Bank**”), Clearstream Banking A.G. (“**Clearstream**”), SIX SIS AG (“**SIX SIS**”), Monte Titoli S.p.A. (“**Euronext Securities Milan**”), Euroclear France SA (“**Euroclear France**”), Interbolsa S.A. (“**Euronext Securities Porto**”), LuxCSD S.A. (“**LuxCSD**”) and through other financial intermediaries which in turn hold their Notes through Euroclear Bank, Clearstream, SIX SIS, Euronext Securities Milan, Euroclear France, Euronext Securities Porto or LuxCSD. Accordingly, the Notes will be eligible to clear through, and therefore be accepted by, Euroclear Bank, Clearstream, SIX SIS, Euronext Securities Milan, Euroclear France, Euronext Securities Porto and LuxCSD or other NBB-SSS participants, and investors can hold their interests in the Notes within securities accounts in Euroclear Bank, Clearstream, SIX SIS, Euronext Securities Milan, Euroclear France, Euronext Securities Porto and LuxCSD or the other direct or indirect participants in the NBB-SSS. Title to the Notes is transferred by account transfer.

The Notes are accepted for settlement through the NBB-SSS, and are accordingly subject to the applicable clearing regulations of the NBB. The Notes will be settled through the X/N accounts system organised within the NBB-SSS in accordance with the law of 6 August 1993 on transactions in certain securities (*loi relative aux opérations sur certaines valeurs mobilières/wet betreffende de transacties met bepaalde*

effecten), its implementing Belgian royal decrees of 26 May 1994 and 14 June 1994 and the rules of the NBB-SSS and its annexes, as issued or modified by the NBB from time to time (the laws, decrees and rules mentioned in this Condition being referred to herein as the “**NBB-SSS Regulations**”). The Notes cannot be physically delivered and may not be converted into bearer bonds (*effecten aan toonder/titres au porteur*).

The Notes may be held only by, and transferred only to, eligible investors referred to in Article 4 of the Belgian Royal Decree of 26 May 1994 on the collection and refund of withholding tax (as amended or replaced from time to time) (*Arrêté royal de 26 mai 1994 relatif à la perception et à la bonification du précompte mobilier / koninklijk besluit van 26 mei 1994 over de inhouding en de vergoeding van de roerende voorheffing*), holding their securities in an exempt securities account that has been opened with a financial institution that is a direct or indirect participant in the NBB-SSS.

Holders are entitled to exercise the rights they have, including but not limited to exercising their voting rights and other associative rights (as defined for the purposes of Article 7:41 of the Code) against the Issuer upon submission of an affidavit drawn up by the NBB, Euroclear Bank, Clearstream, SIX SIS, Euronext Securities Milan, Euroclear France, Euronext Securities Porto, LuxCSD or any other participant duly licensed in Belgium to keep dematerialised securities accounts showing such holder’s position in the Notes (or the position held by the financial institution through which such holder’s Notes are held with the NBB, Euroclear Bank, Clearstream, SIX SIS, Euronext Securities Milan, Euroclear France, Euronext Securities Porto, LuxCSD or such other NBB-SSS participant, in which case an affidavit drawn up by that financial institution will also be required).

For such purposes, each person who is from time to time shown in the records of a participant, sub-participant or the NBB as operator of the NBB-SSS as the holder of a particular amount of Notes shall be treated as the holder of those Notes and any certificate or other document issued by any participant or the NBB shall be conclusive and binding.

The Notes are issued in the Specified Denomination(s) specified in the applicable Final Terms. The minimum Specified Denomination of the Notes shall be at least EUR 100,000 (or its equivalent in any other currency).

If, at any time, the Notes are transferred to any other clearing system which is not exclusively operated by the NBB (such clearing system, an “**Alternative Clearing System**”), these Conditions shall apply *mutatis mutandis* in respect of such Notes.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note or a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis as specified in the applicable Final Terms.

In these Conditions, “**Noteholder**” and “**holder**” means, in respect of any Note, the holder from time to time of a Note as determined by reference to the records of the relevant clearing systems or financial intermediaries and the affidavits referred to in this Condition 1.

2 Guarantee and Status

(a) Guarantee

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Trust Deed and the Notes (the “**Guarantee**”). Its obligations in that respect are contained in the Trust Deed. The obligations of the Guarantor under the Guarantee shall, save for such exceptions as may be provided by applicable legislation and by provisions of law that are mandatory and of general application and subject to Condition 3, at all

times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

(b) Status

The Notes constitute (subject to Condition 3) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes shall, save for such exceptions as may be provided by applicable legislation and by provisions of law that are mandatory and of general application and subject to Condition 3, at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

3 Negative Pledge

- (a)** at the same time or prior thereto securing the Notes equally and rateably with any such Relevant Debt or guarantee or indemnity in respect of any Relevant Debt; or
- (b)** granting Security or such other arrangement as either (i) the Trustee shall in its absolute discretion deem not materially less beneficial to the interests of the Noteholders or (ii) shall be approved by an Extraordinary Resolution (as defined in the Schedule to the Agency Agreement).

In this Condition 3:

“**Group**” means the Guarantor and its Subsidiaries for the time being;

“**Material Subsidiary**” means any Subsidiary of the Guarantor:

- (ii)** to which is transferred all or substantially all of business, undertaking and assets of another Subsidiary which immediately prior to such transfer is a Material Subsidiary, whereupon (a) in the case of a transfer by a Material Subsidiary, the transferor Material Subsidiary shall immediately cease to be a Material Subsidiary and (b) the transferee Subsidiary shall immediately become a Material Subsidiary, provided that on or after the date on which the relevant financial statements for the financial period current at the date of such transfer are published, whether such transferor

Subsidiary or such transferee Subsidiary is or is not a Material Subsidiary shall be determined pursuant to the provisions of sub-paragraph (i) above.

“Relevant Debt” means any indebtedness for moneys borrowed or raised which is in the form of, or represented or evidenced by, bonds, notes, debentures, loan stock or other securities which, with the agreement of the person issuing the same, for the time being are, or are capable of being, quoted, listed or dealt in or traded on any stock exchange or over-the-counter or other securities market; and

- (iv) which is a Subsidiary of another Subsidiary of the first mentioned company or corporation or body corporate,

and for this purpose, a company or corporation or body corporate shall be treated as being controlled by another if that other company or corporation or body corporate is able to direct its affairs and/or to control the composition of its board of directors or equivalent body.

4 Interest and other Calculations

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(f).

(b) Interest on Floating Rate Notes

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest on its outstanding nominal amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(f). Such Interest Payment Date(s) is/are either as specified in the applicable Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period specified in the applicable

(iii) *Rate of Interest*

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the applicable Final Terms and the provisions below relating to ISDA Determination, Screen Rate Determination and/or Linear Interpolation shall apply, depending upon which is specified in the applicable Final Terms.

For the purposes of this subparagraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) if the Final Terms specify either “2006 ISDA Definitions” or “2021 ISDA Definitions” as the applicable ISDA Definitions:

 - (1) the offered quotation; or
 - (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.
 - (y) if the Relevant Screen Page is not available or if, sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Issuer shall request, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Issuer with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Issuer with such offered quotations, the Rate of Interest for

such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

(z)

- (1) if paragraph (y) above applies and the Issuer determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to the Issuer by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market; or
- (2) if fewer than two of the Reference Banks provide the Issuer with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Issuer it is quoting to leading banks in, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market,

provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin, Minimum Rate of Interest or Maximum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin, Minimum Rate of Interest or Maximum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin, Minimum Rate of Interest or Maximum Rate of Interest relating to that last preceding Interest Accrual Period).

(C) Screen Rate Determination – Overnight Rate

Where “Screen Rate Determination – Overnight Rate” is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the relevant Reference Rate is €STR, SOFR or SONIA, the Rate of Interest for each Interest Accrual Period will be calculated in accordance with this Condition 4(b)(iii)(C).

- (5) Subject to Condition 4(k), where “SOFR” is specified as the Reference Rate in the applicable Final Terms and either (i) the Calculation Method is specified in the applicable Final Terms as being “Compounded Daily” or “Weighted Average”, or (ii) the Calculation Method is specified in the applicable Final Terms as being “Index Average” and Condition 4(b)(iii)(C)(1) applies, if, in respect of any U.S. Government Securities Business Day, SOFR is not available, such Reference Rate shall be the SOFR for the first preceding U.S. Government Securities Business Day on which SOFR was published by the Federal Reserve Bank of New York, as the administrator of SOFR (or any successor administrator of SOFR), on the website of the Federal Reserve Bank of New York (or any successor administrator of SOFR) or any successor source, and “r” shall be interpreted accordingly.

- (6) Subject to Condition 4(j), where “SONIA” is specified as the Reference Rate in the applicable Final Terms and either (i) the Calculation Method is specified in the applicable Final Terms as being “Compounded Daily” or “Weighted Average”, or (ii) the Calculation Method is specified in the applicable Final Terms as being “Index Average” and Condition 4(b)(iii)(C)(1) applies, if, in respect of any London Business Day, SONIA is not available on the Relevant Screen Page, or has not otherwise been published by the relevant authorised distributors, such Reference Rate shall be:

 - (b) if such Bank Rate is not available, SONIA published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the first preceding London Business Day on which SONIA was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors),
- and in each case, “r” shall be interpreted accordingly.
- (7) In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, but without prejudice to (in the case of €STR or SONIA) Condition 4(j) or (in the case of SOFR) Condition 4(k), the Rate of Interest shall be:
- (a) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin, Minimum Rate of Interest or Maximum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin, Minimum Rate of Interest or Maximum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin, Minimum Rate of Interest or Maximum Rate of Interest relating to that last preceding Interest Accrual Period);
 - (b) if there is no such preceding Interest Determination Date and the relevant Interest Accrual Period is the first Interest Accrual Period for the Notes, the Initial Rate of Interest which would have been applicable for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Minimum Rate of Interest or Maximum Rate of Interest applicable to the first Interest Accrual Period); or

- (c) if there is no such preceding Interest Determination Date and the relevant Interest Accrual Period is not the first Interest Accrual Period for the Notes, the Rate of Interest which applied to the immediately preceding Interest Accrual Period.

If the Notes become due and payable in accordance with Condition 8, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date and as if (solely for the purpose of such interest determination) the relevant Interest Accrual Period had been shortened accordingly.

(D) **Linear Interpolation**

Where Linear Interpolation is specified in the applicable Final Terms in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified in the applicable Final Terms), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Issuer (acting in good faith and in consultation with an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by the Issuer) shall determine such rate at such time and by reference to such sources as it determines appropriate.

“Applicable Maturity” means: (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate, and (b) in relation to ISDA Determination, the Designated Maturity.

(c) **Zero Coupon Notes**

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 5(b)(i)).

(d) **Accrual of Interest**

Interest shall cease to accrue on each Note on the due date for redemption unless payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 4 to the date on which payment in respect of such Note first becomes due or (if the full amount of the money payable

has not been duly paid on or prior to such due date) the date on which payment in full of the amount outstanding is made.

(e) Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding

- (i) If any Margin is specified in the applicable Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to (in the case of (x)) all Rates of Interest or (in the case of (y)) the Rates of Interest for the specified Interest Accrual Periods, calculated in accordance with Condition 4(b) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum Rate of Interest or Minimum Rate of Interest or Redemption Amount is specified in the applicable Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 of a percentage point being rounded up), (y) all figures shall be rounded to seven significant figures (provided that if the eighth significant figure is a 5 or greater, the seventh significant figure shall be rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with half a unit being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country or countries of such currency.

(f) Calculations

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified in the applicable Final Terms, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

Notwithstanding the previous paragraph, for so long as the Notes are held in the NBB-SSS, the method of calculation provided for above shall apply save that the calculation shall be made in respect of the total aggregate amount of the Notes.

(g) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Change of Control Redemption Amounts

The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate

the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Change of Control Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Change of Control Redemption Amount to be notified to the Trustee, the Issuer, the Guarantor, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and/or admitted to trading on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 8, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) Benchmark Discontinuation – General

Where the Original Reference Rate is not SOFR, in addition and notwithstanding the terms set forth elsewhere in these Conditions, this Condition 4(j) shall apply.

(i) Independent Adviser

If a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(j)(ii)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4(j)(iv)). In making such determination, the Independent Adviser appointed pursuant to this Condition 4(j) shall act in good faith and in a commercially reasonable manner as an expert. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Paying Agents or the Noteholders for any determination made by it, pursuant to this Condition 4(j).

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 4(j)(i) prior to the date which is 10 business days prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Accrual Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding

Interest Accrual Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be determined using the Original Reference Rate last displayed on the relevant Screen Page prior to the relevant Interest Determination Date. Where a different Margin, Minimum Rate of Interest or Maximum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin, Minimum Rate of Interest or Maximum Rate of Interest relating to the relevant Interest Accrual Period shall be substituted in place of the Margin, Minimum Rate of Interest or Maximum Rate of Interest relating to that last preceding Interest Accrual Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Accrual Period only and any subsequent Interest Accrual Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 4(j)(i).

(ii) *Successor Rate or Alternative Rate*

If the Independent Adviser, determines that:

- (a) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(j)); or
- (b) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(j)).

(iii) *Adjustment Spread*

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Successor Rate or Alternative Rate (as applicable) will apply without an Adjustment Spread.

(iv) *Benchmark Amendments*

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4(j) and the Independent Adviser, determines (i) that amendments to these Conditions, the Trust Deed and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(j)(v), without any requirement for the consent or approval of Noteholders, vary these Conditions, the Trust Deed and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee, the Calculation Agent and the Paying Agents of a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer pursuant to Condition 4(j)(v), the Trustee, the Calculation

Agent and the Paying Agents shall (at the direction and expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in using its reasonable endeavours to effect any Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed and/or the Agency Agreement), provided that the Trustee, the Calculation Agent and/or the Paying Agents shall not be obliged so to concur if in the opinion of the Trustee, the Calculation Agent and/or the Paying Agents doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee, the Calculation Agent and/or the Paying Agents in these Conditions, the Trust Deed or the Agency Agreement (including, for the avoidance of doubt, any supplemental trust deed or supplemental agency agreement) in any way.

In connection with any such variation in accordance with this Condition 4(j)(iv), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(v) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 4(j) will be notified at least 10 business days prior to the relevant Interest Determination Date by the Issuer to the Trustee, the Calculation Agent and the Paying Agents. In accordance with Condition 14, notice shall be provided to the Noteholders promptly thereafter. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Noteholders of the same, the Issuer shall deliver to the Trustee, the Calculation Agent and the Paying Agents a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer:

- (a) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the applicable Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4(j); and
- (b) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

Each of the Trustee, the Calculation Agent and the Paying Agents shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's or the Calculation Agent's or the Paying Agents' ability to rely on such certificate as aforesaid) be binding on the Issuer, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

Notwithstanding any other provision of this Condition 4(j), if following the determination of any Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments (if any), in the Calculation Agent's opinion there is any uncertainty between two or more

alternative courses of action in making any determination or calculation under this Condition 4(j), the Calculation Agent shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing as to which alternative course of action to adopt. If the Calculation Agent is not promptly provided with such direction, or is otherwise unable (other than due to its own gross negligence, wilful default or fraud) to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and (in the absence of such gross negligence, wilful default or fraud) shall not incur any liability for not doing so.

(vi) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under Condition 4(j)(i), (ii), (iii) and (iv), the Original Reference Rate and the fallback provisions provided for in Condition 4(b)(iii)(B) or Condition 4(b)(iii)(C) will continue to apply unless and until a Benchmark Event has occurred.

- (b) the Independent Adviser determines, is customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or (if Independent Adviser determines that no such spread is customarily applied)

(ii) *Benchmark Replacement Conforming Changes*

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time. For the avoidance of doubt, the Trustee, the Calculation Agent and/or the Paying Agents, subject to receipt of a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer, shall, at the direction and expense of the Issuer, be obliged to concur with the Issuer in using its reasonable endeavours to effect such consequential amendments to the Trust Deed, the Agency Agreement and these Conditions as may be required to give effect to this Condition 4(k), provided that the Trustee, the Calculation Agent and/or the Paying Agents shall not be obliged to concur if in the opinion of the Trustee, the Calculation Agent and/or the Paying Agents doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Trustee, the Calculation Agent and/or the Paying Agents in these Conditions, the Trust Deed or the Agency Agreement (including, for the avoidance of doubt, any supplemental trust deed or supplemental agency agreement). Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction specified in the applicable Final Terms.

(ii) *Other Notes*

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 5(c), Condition 5(d), Condition 5(e), Condition 5(f), Condition 5(g) or Condition 5(h) or upon it becoming due and payable as provided in Condition 8, shall be the Final Redemption Amount unless otherwise specified in the applicable Final Terms.

(c) Redemption for Taxation Reasons

The Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date (if this Note is a Floating Rate Note) or at any time (if this Note is not a Floating Rate Note), on giving not less than 10 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable) at their Early Redemption Amount (as described in Condition 5(b) above) (together with interest accrued to (but excluding) the date fixed for redemption), if:

- (i) the Issuer certifies to the Trustee immediately prior to the giving of such notice that the Issuer (or, if the Guarantee was called, the Guarantor) has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws, treaties, protocols, rulings or regulations of the Kingdom of Belgium or Switzerland or, in each case, any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws, treaties, protocols, rulings or regulations, which change or amendment is announced, is enacted or becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it under such laws, treaties, protocols, rulings or regulations,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer (or the Guarantor, as the case may be) would be obliged to pay such additional amounts were a payment in respect of the Notes (or the Guarantee, as the case may be) then due.

Prior to the publication of any notice of redemption pursuant to this Condition 5(c), the Issuer shall deliver to the Trustee a certificate signed by two Authorised Signatories (as defined in the Trust Deed) of the Issuer (or the Guarantor, as the case may be) stating that the obligation referred to in (i) above cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it and the Trustee shall be entitled to accept such certificate without liability and without further enquiry as sufficient evidence of the satisfaction of the conditions precedent set out in (i) and (ii) above, in which event it shall be conclusive and binding on the Noteholders.

(d) Redemption at the Option of the Issuer (Call Option)

- (i) If Call Option is specified in the applicable Final Terms, the Issuer may, on giving not less than 10 nor more than 60 days' irrevocable notice to the Noteholders (or such other notice period as may be specified in the applicable Final Terms) redeem all or, if so provided, some of the Notes on any Optional Redemption Date (provided that if the Issuer Maturity Par Call is specified in the applicable Final Terms, such Optional Redemption Date falls more than 90 days prior to the Maturity Date). Any such redemption of Notes shall be at their Optional Redemption Amount specified in the applicable Final Terms (which may be the Early Redemption Amount (as described in Condition 5(b) above)), together with interest accrued to (but excluding) the relevant Optional Redemption Date.
- (ii) If Spens Amount or Make-Whole Amount is specified in the applicable Final Terms as the Optional Redemption Amount, the Optional Redemption Amount per Note shall be equal to:
 - (A) if Spens Amount is specified in the applicable Final Terms, the higher of (i) the nominal amount of the Note; and (ii) the nominal amount of the Note multiplied by the price (as reported in writing to the Issuer and the Trustee by the Determination

Agent) expressed as a percentage (rounded to four decimal places, 0.00005 being rounded upwards) at which the Gross Redemption Yield on the Notes on the Determination Date specified in the applicable Final Terms (assuming for this purpose the Notes are to be redeemed at their nominal amount on the Spens Call Reference Date) is equal to the Gross Redemption Yield at the Quotation Time specified in the applicable Final Terms on the Determination Date of the Reference Bond plus any applicable Redemption Margin specified in the applicable Final Terms; or

- (B) if Make-Whole Amount is specified in the applicable Final Terms, the higher of (i) the nominal amount of the Note; and (ii) the sum of the then present values of the remaining scheduled payments of principal and Remaining Term Interest (assuming for this purpose the Notes are to be redeemed at their nominal amount on the Make-Whole Reference Date), in each case discounted to the relevant Optional Redemption Date on either an annual or a semi-annual basis as specified in the applicable Final Terms (based on the Day Count Fraction specified in the applicable Final Terms) at the Reference Dealer Rate plus any applicable Redemption Margin specified in the applicable Final Terms, all as determined by the Determination Agent;

in each case together with interest accrued to (but excluding) the relevant Optional Redemption Date.

Any such redemption must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified in the applicable Final Terms and no greater than the Maximum Redemption Amount to be redeemed specified in the applicable Final Terms. Any notice of redemption given under Condition 5(c) or Condition 5(f) will override any notice of redemption given (whether previously, on the same date or subsequently) under this Condition 5(d).

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition 5(d).

In this Condition:

“Determination Agent” means an investment banking, accountancy, appraisal or financial advisory firm with international standing that has (in the reasonable opinion of the Issuer) appropriate expertise relevant to the determination required to be made under this Condition 5(d) selected by the Issuer;

“Gross Redemption Yield” means a yield expressed as a percentage and calculated by the Determination Agent on the basis set out by the United Kingdom Debt Management Office in the paper “Formulae for Calculating Gilt Prices from Yields” page 4, Section One: Price/Yield Formulae “Conventional Gilts”; “Double-dated and Undated Gilts with Assumed (or Actual) Redemption on a Quasi-Coupon Date” (published on 8 June 1998 and updated on 15 January 2002 and as further updated or amended from time to time) on a semi-annual compounding basis (converted on an annualised yield and rounded up (if necessary) to four decimal places) or, if such formula does not reflect generally accepted market practice at the time of redemption, a gross redemption yield calculated in accordance with generally accepted market practice at such time as determined by the Determination Agent;

“**Make-Whole Reference Date**” or “**Spens Call Reference Date**” means the earliest of (i) the Maturity Date, (ii) the Par Call Period Commencement Date (if applicable), and (iii) such other date (if any) specified in the applicable Final Terms;

“**Reference Bond**” means the government security specified in the applicable Final Terms, or (if such security is no longer in issue or, in the determination of the Determination Agent, with the advice of the Reference Dealers, is no longer appropriate by reason of illiquidity or otherwise), such other government security with a maturity date as near as possible to the Make-Whole Reference Date or the Spens Call Reference Date, as applicable, as the Determination Agent may, with the advice of the Reference Dealers, determine to be appropriate by way of substitution for the original Reference Bond;

“**Reference Dealer Rate**” means, with respect to the Reference Dealers and any Optional Redemption Date, the average of the four quotations of the mid-market annual yield to maturity of the Reference Bond specified in the applicable Final Terms at the Quotation Time specified in the applicable Final Terms on the Determination Date specified in the applicable Final Terms and quoted in writing to the Determination Agent by the Reference Dealers;

“**Reference Dealers**” means each of four banks which are (A) a primary government securities dealer or (B) a market maker in pricing corporate bond issues as selected by the Determination Agent after consultation with the Issuer; and

“**Remaining Term Interest**” means, with respect to any Note, the aggregate amount of scheduled payment(s) of interest on such Note for the remaining term to the Make-Whole Reference Date determined on the basis of the rate of interest applicable to such Note from and including the relevant Optional Redemption Date.

(e) Redemption at the Option of the Issuer (Issuer Maturity Par Call)

If Issuer Maturity Par Call is specified in the applicable Final Terms, the Issuer may, on giving not less than 10 nor more than 60 days’ irrevocable notice to the Noteholders (or such other notice period as may be specified in the applicable Final Terms), redeem all, but not some only, of the Notes at any time during the period commencing on (and including) the day that is 90 days prior to the Maturity Date (the “**Par Call Period Commencement Date**”) to (but excluding) the Maturity Date, at the Final Redemption Amount specified in the applicable Final Terms together with interest accrued (if any) to (but excluding) the date fixed for redemption.

(f) Redemption at the Option of the Issuer (Clean-up Call)

If Clean-up Call is specified in the applicable Final Terms, the Issuer may, if 80 per cent. or more in nominal amount of the Notes originally issued have been redeemed or purchased pursuant to the operation of (unless otherwise specified in the applicable Final Terms) any of Condition 5(g) and/or Condition 5(h) and/or Condition 5(i), on giving not less than 10 nor more than 60 days’ irrevocable notice to Noteholders (or such other notice period as may be specified in the applicable Final Terms) (such notice being given within 30 days after the relevant redemption or purchase, as the case may be), redeem or purchase (or procure the purchase of) all but not some only of the remaining outstanding Notes at their Early Redemption Amount together with interest accrued to (but excluding) the date fixed for such redemption or purchase.

(g) Redemption at the Option of Noteholders (Put Option)

If Put Option is specified in the applicable Final Terms, (unless prior to the giving of the relevant Exercise Notice (as defined below) the Issuer has given notice of redemption under Condition 5(c),

Condition 5(d), Condition 5(e) or Condition 5(f) above), the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 10 nor more than 60 days' notice to the Issuer (or such other notice period as may be specified in the applicable Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount specified in the applicable Final Terms (which may be the Early Redemption Amount (as described in Condition 5(b) above)), together with interest accrued to (but excluding) the date fixed for redemption.

To exercise the Put Option, the holder of a Note must at any time within the notice period (i) deliver or cause to be delivered to the specified office of any Paying Agent during normal business hours of such Agent a certificate issued by the relevant accountholder certifying that the relevant Notes are blocked by it and (ii) complete and deposit with the financial intermediary through which the Noteholder holds its Notes (the “**Financial Intermediary**”) for further delivery to the Issuer (with a copy to the specified office of the Issuing and Paying Agent) a duly completed and signed notice of exercise to which the Put Option relates in the form customarily used by the relevant Financial Intermediary and as obtainable from any Paying Agent (an “**Exercise Notice**”). An Exercise Notice, once given, shall be irrevocable.

Noteholders must check with their Financial Intermediary the time by which such Financial Intermediary must receive instructions and Exercise Notices in order to meet the deadlines for such exercise to be effective.

Noteholders exercising their put option by giving notice of such exercise to the Issuing and Paying Agent in accordance with the standard procedures of the NBB, Euroclear Bank or Clearstream in lieu of depositing an Exercise Notice with a Financial Intermediary, are also advised to check the time by which the relevant securities settlement system would require to receive notices in order to meet the deadlines for such exercise to be effective.

The Issuer and the Guarantor will not be liable for any inaction or late action of a Financial Intermediary or the Issuing and Paying Agent or any other Paying Agent and any fees charged by a Financial Intermediary and/or the Issuing and Paying Agent or any other Paying Agent in relation to the deposit of the Exercise Notice or the transfer of the relevant Notes shall be borne by the relevant Noteholder.

(h) Redemption at the Option of Noteholders (Change of Control Put Option)

If Change of Control Put Option is specified in the applicable Final Terms and if at any time while any Note remains outstanding a Change of Control Put Event occurs, the holder of any such Note will have the option (a “**Change of Control Put Option**”) (unless prior to the giving of the relevant Change of Control Put Event Notice, the Issuer has given notice of redemption under Condition 5(c), Condition 5(d), Condition 5(e) or Condition 5(f) above) to require the Issuer to redeem or, at the Issuer's option, purchase (or procure the purchase of) that Note on the Change of Control Put Date at the Change of Control Redemption Amount specified in the applicable Final Terms together with (or, where purchased, together with an amount equal to) interest accrued to (but excluding) the Change of Control Put Date.

Promptly upon the Issuer or the Guarantor becoming aware that a Change of Control Put Event has occurred, the Issuer or the Guarantor shall give notice (a “**Change of Control Put Event Notice**”) to the Noteholders in accordance with Condition 14 specifying the nature of the Change of Control Put Event and the procedure for exercising the Change of Control Put Option.

To exercise the Change of Control Put Option, the holder of a Note must at any time within the period of 30 days after the relevant Change of Control Put Event Notice is given (the “**Change of Control Put Period**”) (i) deliver or cause to be delivered to the specified office of any Paying Agent during normal business hours of such Agent a certificate issued by the relevant accountholder certifying that the relevant Notes are blocked by it and (ii) complete and deposit with the Financial Intermediary for further delivery to the Issuer (with a copy to the specified office of the Issuing and Paying Agent) a duly completed and signed notice of exercise to which the Change of Control Put Option relates in the form customarily used by the relevant Financial Intermediary and as obtainable from any Paying Agent (a “**Change of Control Put Exercise Notice**”). A Change of Control Put Exercise Notice, once given, shall be irrevocable.

Noteholders must check with their Financial Intermediary the time by which such Financial Intermediary must receive instructions and Change of Control Put Exercise Notices in order to meet the deadlines for such exercise to be effective.

Noteholders exercising their put option by giving notice of such exercise to the Issuing and Paying Agent in accordance with the standard procedures of the NBB, Euroclear Bank or Clearstream in lieu of depositing a Change of Control Put Exercise Notice with a Financial Intermediary, are also advised to check the time by which the relevant securities settlement system would require to receive notices in order to meet the deadlines for such exercise to be effective.

The Issuer and the Guarantor will not be liable for any inaction or late action of a Financial Intermediary or the Issuing and Paying Agent or any other Paying Agent and any fees charged by a Financial Intermediary and/or the Issuing and Paying Agent or any other Paying Agent in relation to the deposit of the Change of Control Put Exercise Notice or the transfer of the relevant Notes shall be borne by the relevant Noteholder.

If a Change of Control Put Exercise Notice has been validly delivered, the Issuer shall redeem or purchase (or procure the purchase of) the relevant Notes (which are the subject of such Change of Control Put Exercise Notice) within five Business Days after the expiration of the Change of Control Put Period (the date of such redemption or purchase, the “**Change of Control Put Date**”) unless previously redeemed (or purchased) and cancelled. Payment in respect of any Change of Control Put Option so exercised will be made on the Change of Control Put Date in accordance with the rules of the NBB-SSS.

If the rating designations employed by any of Moody’s, Fitch or S&P are changed from those which are described in paragraph (ii) of the definition of “Change of Control Put Event” below, or if a rating is procured from a Substitute Rating Agency, the Guarantor shall in good faith determine the rating designations of Moody’s, Fitch or S&P or such Substitute Rating Agency (as appropriate) as are most equivalent to the prior rating designations of Moody’s, Fitch or S&P and this Condition 5(h) shall be construed accordingly, and such determination shall be binding.

A “**Change of Control Event**” shall occur if:

- (i) an offer to acquire Shares, whether expressed as a public takeover offer (whether voluntary or mandatory), a merger or similar scheme with regard to such acquisition, or in any other way, is made in circumstances where:
 - (A) such offer is available to (1) all holders of Shares, (2) all holders of Shares other than the offeror and any persons acting in concert with such offeror, or (3) all holders of Shares other than persons who are excluded from the offer by reason of being

connected with one or more specific jurisdictions (or a combination of the exceptions pursuant to (2) and (3)); and

- (B) such offer having become or been declared unconditional with respect to acceptances, the Guarantor becomes aware that the right to cast more than 50 per cent. of all the voting rights (whether exercisable or not) of the Guarantor has become or will become unconditionally vested in the offeror and any persons acting in concert with the offeror; or
- (ii) the Guarantor consolidates with or merges into any other company, save where, following such consolidation or merger, shareholders of the Guarantor immediately prior to such consolidation or merger have the right to cast 50 per cent. or more of the voting rights (whether exercisable or not) of such other company; or
- (iii) the Guarantor becomes aware that the right to cast more than 50 per cent. of all voting rights (whether exercisable or not) of the Guarantor has become unconditionally vested directly or indirectly in any person (or in persons acting in concert with each other in respect of the exercise of such voting rights); or
- (iv) the legal or beneficial ownership of all or substantially all of the assets owned by the Guarantor, directly or indirectly, is acquired by one or more other persons acting in concert;

“Change of Control Period” means the period commencing on the Relevant Announcement Date and ending 90 days after the Change of Control Event (or such longer period for which the Notes are under consideration (such consideration having been announced publicly within the period ending 90 days after the Change of Control Event) for rating review or, as the case may be, rating by a Rating Agency, such period not to exceed 60 days after the public announcement of such consideration);

A **“Change of Control Put Event”** will be deemed to occur if:

- (i) a Change of Control Event occurs; and
- (ii) on the date (the **“Relevant Announcement Date”**) that is the earlier of (a) the date of the first public announcement of the relevant Change of Control Event and (b) the date of the earliest Relevant Potential Change of Control Announcement (if any), the Notes carry:
 - (A) an investment grade credit rating (being BBB- from S&P or Fitch, and Baa3 from Moody’s, each as defined below, or their respective equivalents, or better) from any Rating Agency (an **“Investment Grade Rating”**), at the invitation of the Issuer or the Guarantor and such rating is, within the Change of Control Period, either downgraded to a non-investment grade credit rating (being BB+ from S&P or Fitch, and Ba1 from Moody’s or their respective equivalents, or worse) (a **“Non-Investment Grade Rating”**) or withdrawn by such Rating Agency and is not, within the Change of Control Period, subsequently reinstated or (in the case of a downgrade) upgraded to an Investment Grade Rating by such Rating Agency; or
 - (B) a Non-Investment Grade Rating from any Rating Agency at the invitation of the Issuer or the Guarantor and such rating is, within the Change of Control Period, either downgraded by one or more rating categories (for example, from Baa1 to Baa2 in the case of Moody’s, or such similar lowering) or withdrawn and is not,

within the Change of Control Period, subsequently reinstated or (in the case of a downgrade) upgraded to its earlier credit rating or better by such Rating Agency; or

- (C) no credit rating and a Negative Rating Event also occurs within the Change of Control Period,

provided that, if on the Relevant Announcement Date the Notes carry a credit rating from more than one Rating Agency at the invitation of the Issuer or the Guarantor, at least one of which is an Investment Grade Rating, then only sub-paragraph (A) above will apply and sub-paragraph (B) above will not apply; and

- (iii) in making any decision to downgrade or withdraw a credit rating pursuant to sub-paragraphs (ii)(A) or (ii)(B) above (as the case may be) or not to award a credit rating of at least investment grade as described in limb (ii) of the definition of Negative Rating Event, the relevant Rating Agency announces publicly or confirms in writing to the Issuer or the Guarantor that such decision(s) resulted, in whole or to a significant extent, from the occurrence of the Change of Control Event or the Relevant Potential Change of Control Announcement;

a “**Negative Rating Event**” shall be deemed to have occurred if at such time as there is no rating assigned to the Notes by a Rating Agency (i) the Issuer or the Guarantor does not, either prior to, or not later than 21 days after, the occurrence of the Change of Control Event seek, and thereafter throughout the remainder of the Change of Control Period use all reasonable endeavours to obtain, a rating of the Notes, or any other unsecured and unsubordinated debt of the Guarantor or (ii) if the Issuer or the Guarantor does so seek and use such endeavours, it is unable to obtain such a rating of at least investment grade by the end of the Change of Control Period;

“**Rating Agency**” means Moody’s Investors Service Limited (“**Moody’s**”), Fitch Ratings Limited (“**Fitch**”) or S&P Global Ratings Europe Limited (“**S&P**”) or any of their respective successors or any rating agency (a “**Substitute Rating Agency**”) substituted for any of them by the Issuer or the Guarantor from time to time in relation to the Notes;

“**Shares**” means registered shares in the Guarantor (as well as any other (if any) shares or stock in the Guarantor resulting from any subdivision, consolidation or reclassification of such shares) which as between themselves have no preference in respect of dividends or of amounts payable in the event of any voluntary or involuntary liquidation or dissolution of the Guarantor.

(i) **Purchases**

The Issuer, the Guarantor and any of their Subsidiaries may at any time purchase Notes in the open market or otherwise at any price. The Notes so purchased, while held by or on behalf of the Issuer, the Guarantor or any such Subsidiary, shall not entitle the holder to vote at any meetings of the Noteholders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Noteholders or for the purposes of Condition 10(a).

(j) **Cancellation**

All Notes redeemed pursuant to this Condition 5 will be cancelled and may not be re-issued or resold. Any Note purchased under Condition 5(i) may be cancelled (in which case it may not be reissued), held or, to the extent permitted by law, resold.

6 Payments

(a) Payments in respect of the Notes

Without prejudice to the provisions of the Code, payments of principal, interest and other sums due under the Notes will be made through the Issuing and Paying Agent and the NBB-SSS, in accordance with the NBB-SSS Regulations. The payment obligations of the Issuer or the Guarantor (as applicable) will be discharged by payment to the NBB-SSS in respect of each amount so paid.

(b) Payments subject to Laws

All payments are subject in all cases to (i) any applicable fiscal or other laws, regulations and directives in the place of payment, but without prejudice to the provisions of Condition 7 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “**Internal Revenue Code**”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Internal Revenue Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto and the Issuer will not be liable to Noteholders for any taxes or duties of whatever nature imposed or levied by such laws, agreements or regulations. No commission or expenses shall be charged to the Noteholders in respect of such payments.

(c) Appointment of Agents

The Issuing and Paying Agent, the Paying Agents and the Calculation Agent act solely as agents of the Issuer and the Guarantor and do not assume any obligation or relationship of agency or trust for or with any Noteholder. The Issuer and the Guarantor reserve the right at any time to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain an Issuing and Paying Agent and such other agents as may be required by any other stock exchange on which the Notes may be listed and/or admitted to trading.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(d) Non-Business Days

In that event the Issuer or, as the case may be, the Guarantor shall pay such additional amounts as will result in receipt by the Noteholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Note or under the Guarantee (as applicable):

- (i) where such Note is held by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note by reason of its having some connection with the Kingdom of Belgium or Switzerland, other than merely by being a holder of the Note; or
- (ii) on account of any taxes, duties, assessments or governmental charges which are required to be withheld or deducted for any payment of or on account of estate, inheritance, gift, sales, excise, transfer, personal property tax or similar assessment or governmental charge; or
- (iii) where such Note is held by a holder who, at the time of the issue of the Notes, was not an Eligible Investor or held by a holder who was such an Eligible Investor at the time of the issue of the Notes but, either ceased to be an Eligible Investor or, at any relevant time on or after the issue of the Notes, otherwise failed to meet any other condition for the exemption of Belgian withholding tax pursuant to the Belgian law of 6 August 1993 relating to transactions in certain securities; or
- (iv) where such withholding or deduction is imposed on a payment and is required to be made pursuant to laws enacted by Switzerland providing for the taxation of payments changing the Swiss federal withholding tax system from an issuer-based system to a paying agent-based system pursuant to which a person other than the Issuer or the Guarantor, as the case may be, is required to withhold tax on any interest payments; or
- (v) to, or to a third party on behalf of, a Noteholder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or other similar claim for exemption to any tax authority in the place where the relevant Notes are presented for payment; or
- (vi) where such Note is held by a holder who is liable to such taxes because such Note held by it was upon its request converted into a registered Note and could no longer be cleared through the NBB-SSS; or
- (vii) any combination of the above.

In this Condition 7, “**Eligible Investor**” means a person who is entitled to hold securities through a so-called “X-Account” (being an account exempted from withholding tax) that has been opened with a financial institution that is a direct or indirect participant in the NBB-SSS in accordance with Article 4 of the Belgian

Royal Decree of 26 May 1994 on the collection and refund of withholding tax (as amended or replaced from time to time).

10 Meetings of Noteholders, Modification, Waiver and Substitution

(a) Meetings of Noteholders

All meetings of holders of Notes will be held in accordance with the provisions on meetings of Noteholders set out in the Schedule to the Agency Agreement (the "**Meeting Provisions**").

Meetings of holders of Notes may be convened to consider matters relating to Notes, including the modification or waiver of any provision of these Conditions. Any such modification or waiver may be made if sanctioned by an Extraordinary Resolution (which means a resolution passed (a) at a meeting of Noteholders duly convened and held in accordance with these Conditions and the Meeting Provisions by or on behalf of Noteholders of at least 75 per cent. of the votes cast, (b) by a Written Resolution (as defined in the Meeting Provisions) or (c) by an Electronic Consent (as defined in the Meeting Provisions).

All meetings of holders of Notes may be convened by the Issuer, the Guarantor or the Trustee and shall be convened by the Issuer or the Guarantor upon the request in writing of holders of Notes holding at least 20 per cent. in nominal amount of the Notes for the time being outstanding. A meeting of holders of Notes will be entitled (subject to the consent of the Issuer and the Guarantor where required in accordance with the Meeting Provisions) to exercise the powers set out in the Meeting Provisions and, subject to the consent of the Issuer and the Guarantor, to modify or waive any provision of these Conditions (including any proposal (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum Rate of Interest and/or a Maximum Rate of Interest or Redemption Amount is specified in the applicable Final Terms, to reduce any such interest or amount, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount, the Optional Redemption Amount or the Change of Control Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution or (viii) to modify or cancel the Guarantee) in accordance with the quorum and majority requirements set out in the Meeting Provisions. Resolutions duly passed in accordance with these provisions shall be binding on all holders, whether or not they are present at the meeting and whether or not they vote in favour of such a resolution.

Notices for meetings of holders of Notes shall be made in accordance with the Meeting Provisions.

The Meeting Provisions provide that, if authorised by the Issuer and the Guarantor, a Written Resolution (as defined in the Meeting Provisions) signed, or Electronic Consent (as defined in the Meeting Provisions) given, by the holders of not less than 75 per cent in nominal amount of the Notes outstanding shall take effect as if it were an Extraordinary Resolution provided that the terms of the proposed resolution shall have been notified in advance to the Noteholders in accordance with Condition 14. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

Resolutions of holders of Notes which require an amendment to these Conditions, the Trust Deed or the Agency Agreement will only be effective if such resolutions have been approved by the Issuer and the Guarantor.

(b) Modification of the Trust Deed

The Trustee may agree, without the consent of the Noteholders, to (i) any modification of any of these Conditions or any of the provisions of the Trust Deed that in the opinion of the Trustee is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach

or proposed breach of any of these Conditions or any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. Any such modification, authorisation or waiver shall be binding on the Noteholders and such modification shall be notified to the Noteholders as soon as reasonably practicable.

In addition, the Trustee shall be obliged to concur with the Issuer in effecting any amendments in the circumstances set out in Condition 4(j) or Condition 4(k) without the consent of the Noteholders.

(c) Substitution

The Trust Deed contains provisions permitting the Trustee to agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require, but without the consent of the Noteholders, to the substitution of any other company in place of the Issuer or the Guarantor, or of any previous substituted company, as principal debtor or guarantor under the Trust Deed and the Notes. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders, to a change of the law governing the Notes and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

(d) Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders and the Trustee shall not be entitled to require, nor shall any Noteholder be entitled to claim, from the Issuer or the Guarantor any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders.

11 Enforcement

At any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings or take such actions or steps against the Issuer and/or the Guarantor as it may think fit to enforce the terms of the Trust Deed and the Notes, but it need not take any such proceedings, actions or steps unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-quarter in nominal amount of the Notes outstanding, and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Noteholder may proceed directly against the Issuer or the Guarantor unless the Trustee, having become bound so to proceed, fails or is unable to do so within a reasonable time from the date on which the Trustee is so bound and such failure or inability is continuing.

12 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer, the Guarantor and any entity related to the Issuer or the Guarantor without accounting for any profit.

The Trustee may rely without liability to Noteholders on a report, confirmation or certificate or any advice of any accountants, financial advisers, financial institution or any other expert, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation or certificate

or advice and such report, confirmation or certificate or advice shall be binding on the Trustee and the Noteholders.

13 Further Issues

The Issuer may from time to time without the consent of the Noteholders create and issue further securities having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with an outstanding Series. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes.

14 Notices

Notices required to be given to Noteholders pursuant to these Conditions shall be delivered by or on behalf of the Issuer or, as applicable, the Guarantor to the NBB for communication by it to the participants of the NBB-SSS. So long as the Notes are listed on the Luxembourg Stock Exchange, notices required to be given to the holders of the Notes pursuant to these Conditions shall also be published either on the website of the Luxembourg Stock Exchange (www.luxse.com) or in a leading daily newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*). So long as the Notes are listed and/or admitted to trading, notices required to be given to the holders of the Notes pursuant to these Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed and/or admitted to trading. If in the opinion of the Trustee any such publication is not practicable, notice required to be given pursuant to these Conditions shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

In addition to the above, communications and publications with respect to notices for meetings of holders and convening notices for such meetings shall be made in accordance with the Meeting Provisions.

15 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

16 Governing Law and Jurisdiction

(a) Governing Law

The Trust Deed (except clause 4), the Agency Agreement (except the Schedule) and the Notes (except Condition 1 and Condition 10(a)) and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law. Clause 4 of the Trust Deed, the Schedule to the Agency Agreement, Condition 1 and Condition 10(a) of the Notes and any non-contractual obligations arising therefrom or in connection therewith shall be governed by, and construed in accordance with, Belgian law.
